### Datasheet

#### Electrical characteristics

|                          |     |
|--------------------------|-----|
| Insulation Class         | II  |
| Rated insulation voltage | -   |
| Rated operating voltage  | -   |
| Dissipable Power         | 15W |

#### Mechanical characteristics

|                                |  |
|--------------------------------|--|
| Manufacturing material         | Palazzoli Thermosetting GRP            |
| Treatment type                 | -                                      |
| Surface finishing              | -                                      |
| Color                          | Blue RAL 5015 (Cover), RAL 7042 (Base) |
| Execution                      | Wall mounting                          |
| Height Box                     | 75 mm                                  |
| Cover height                   | 50 mm                                  |
| Cover type                     | With transparent door                  |
| N. of modules on DIN rail      | 6,5                                    |
| Hole type                      | -                                      |
| Window type                    | -                                      |
| IP Protection degree           | IP67                                   |
| Additional IPdegree protection | -                                      |
| Shock resistance               | IK10 according to IEC/EN 62262         |
| Resistance to Glow wire        | 960°C                                  |
| Flame rating according UL94    | V-0                                    |
| Corrosivity category           | -                                      |
| Working Environment Temp.      | Min: -40°C ;Max: +90°C                 |
| Warehousing Temperature        | Min: -50°C ;Max: +90°C                 |
| Dimensions                     | 185X125 mm                             |
| Internal dimensions            | -                                      |
| Net Weight                     | 1.08 KG                                |
